## Internship Program Admissions

**Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:**

Special focus is given to applications that show that the candidate possesses a strong interest in individuals with developmental disabilities and mental health. Candidates with experience or interest in working with diverse populations across the lifespan will be considered preferred. Applicants from minority backgrounds or who are fluent in another language are strongly encouraged to apply.

Applications by candidates coming from clinical, counseling, school, developmental, neuropsychology, and health psychology programs (Ph.D. and PsyD) may be accepted. Preference is given to applicants from APA and CPA accredited programs.

**Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:**

Total Direct Contact Intervention Hours	YES		Amount: 500
Total Direct Contact Assessment Hours	YES		Amount: 50 (or ten 10 comprehensive assessments)

**Describe any other required minimum criteria used to screen applicants:**

All interns who match to CARES Internship Program (CIP) must provide proof of eligibility to work in the United States in accordance with applicable law and must successfully pass a fingerprint-based background check before beginning employment.

Additionally, CARES is an alcohol, tobacco, marijuana, and drug-free workplace. Random drug testing may also be conducted to the maximum extent allowed by applicable law.

A current medical form, required vaccinations and the results from tuberculosis (TB) screening test from the previous 12-months [however, it must cover their internship year], are necessary for participation in the CARES Internship program due to NYS Department of Health regulations.
